

Dear guests,

Welcome to Hostel Erlebnisberg Kappe!

Here we would like to keep all our guests from abroad up-to-date concerning the Covid 19 rules in Winterberg. Please inform yourselves if your homeland is qualified as, high-risk or even mutant area because there may be restrictions when entering Germany!

Please note current **2G-information for NRW from 09.12.21** below.

To stay overnight, to go for skiing or rental, to go for a restaurant or in parts to go shopping all our guests from **non-risk or risk areas from 16 years and older** from abroad need **2G-evidence**, i. e.

1. **Prove evidence** by being **vaccinated with a valid vaccine** (last vaccination min. 14 days ago) by an official **vaccination certificate**.
2. Already **recovered from Corona** – then we would need a **positive PCR-Test-Result**, issued **min. 28 days ago but not older than 6 months**.
3. **Kids younger than 6 years do not need any evidence at all**
Kids from 6 up to and including 15 years do not need any evidence unless they are travelling during holiday times, e. g. Christmas. In case of travelling from 24.12.21 to 09.01.22 they will probably have to prove evidence by an official negative test result that is not older than 24 hours if not vaccinated.

Testing in Winterberg: www.winterberg.de/testzentrum

Certificates on mobile phones will be checked by CovPass-Check-App.

All guests have to prove their identity by submitting a valid and original identity card or passport.

In case of any doubts also Kids under 16 years should always be able to prove their age!

Guests from 12 years from countries classified as **high risk countries** have to **enregister digitally** www.einreiseanmeldung.de and can only travel to Germany without quarantine if they can submit evidence of full vaccination or evidence of being recovered before arrival. **Kids younger than 12 years without evidence of vaccination or recovering from Corona must take a quarantine of at least 5 days!**

Guests from divers virus areas no matter which age may not travel to Germany without a quarantine of a fortnight!

Winterberg – wristbands

Once 2G-state has been explicitly and personally proved all guests to Winterberg may choose to wear a Winterberg – wristband. This would help to prove 2G-evidence at any checking points. However, this does not save you to carry always your 2G-documentation. Random 2G-checkings may always happen sometimes by using offered service as well as by members of city authorities or police. If desired wristbands will be provided by our reception staff.

General Covid 19 rules:

1. When travelling: **you should feel well and healthy!** If there exist any suspicious facts e. g. direct contact to Corona sufferers or you realize some typical Corona symptoms – go to the doctor's! **We will not urge you to pay any cancellation fees in this case but we would offer you to postpone your stay free of charge.**

During your stay: you may realize any symptoms? Contact us immediately!

- 2. Minimum distance of 1,50 m** within the entire hostel (except of your room 😊)!
3. Consider about **rules concerning coughing and sneezing!**
4. Everyone is obliged to **wear masks (medical or FFP2 – not daily masks!)** within the entire Hostel (except of your room and breakfast table 😊)!
Mask forgotten? No problem, we can help you out for a small fee!
5. All frequent contact points are cleaned regularly, e. g. doorknobs, flights of stairs, light switches, keyboards of vending machines and bike room. However, for your own health: **Wash and disinfect your hands as often as possible.** All sanitary facilities are equipped with soap. Means for hands disinfection can be found in the public areas like entrance, buffet room or shared sanitariums.

Most important information before your arrival:

- For the mandatory registration form, we would require **before arriving:**
 - **Name and age of all travelling guests.**
- **Coloured guidance system: Please stick to the running direction:**
Blue brings you to your **rooms**
Yellow leads to the **reception desk** and to **breakfast**
(everything can be found on the 1. floor)
Pink brings you to the **exit**
- **Main entrance** in the courtyard: **Disinfect your hands please!**
- **For the exit** choose always the **side door** near the parking and the bike room.
- Find **Check-In** on the first floor!
- **Please submit at arrival:**
 - Evidence of immunization form + identity Card or negative test!
- **Breakfast** buffet, please consider:
 - **Come to the reception desk every morning!** We will show you your seats! You may have to wait a little. We bag your patience, queue up and keep the distance! **Masks can be taken off at your table.**
 - **Disinfect your hands** before entering the buffet room
 - **Wear masks!** (medical or FFP2!)
 - **Max 5 persons** inside buffet room!
 - **Keep** always the **distance!**
- Please understand that own sheets are currently not possible, you would have to book bed sheets. **Please bring your own towels.**
- Temporarily, not all **public areas** are fully disposable. Please consider especially min. distance, mandatory mask and min. number of persons in room/area:
 - **Lounge, TV-room and youth room**
 - **All common sanitary rooms! Wear bath slippers** when using public showers!
 - **Bike and drying room!**
 - **Ball playground** for small children is still closed!
